

The diagram illustrates a complex network structure with a dense web of gray lines representing connections between nodes. Seven vertical lines of different colors are overlaid, representing specific paths or clusters. A legend on the right identifies these lines as X0, X1, X2, X3, X4, X5, and y0.

- X0: Blue line
- X1: Orange line
- X2: Green line
- X3: Red line
- X4: Purple line
- X5: Brown line
- y0: Black line
